## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: The Supplemental Code of Fair Competition for the Waterpower Equipment Subdivision of the Machinery and Allied Products Industry, approved June 7, 1934, established a stay, of the provisions of Sections 6 to 9 inclusive of Article VIII, "for a period of fifteen (15) days; then to become effective unless I, by my further order, otherwise direct; within which time cause may be shown, if any there be, why the above provisions should not become effective; and that the Temporary Code Authority send notice of the stay of these provisions and of the opportunity to show cause why they should not become effective to all known employers of the Subdivision."

This has proven to be insufficient time in which the Temporary Code Authority may comply with this fifteen (15) day provision, and the Assistant Deputy, in his report to me on this matter, having found that reasonable diligence has been exerted by the Temporary Code Authority to effect the distribution of said notice, and that the first fifteen (15) day period was not sufficient to effect the required distribution of said notice, has accordingly recommended that an additional fifteen (15) day period be granted for this purpose.

For these reasons, therefore, I have approved an order providing for a fifteen (15) day extension of time within which this Subdivision shall conform to the requirements of the provisions of said stay affecting Sections 6 to 9 inclusive, of Article VIII of said Code of Fair Competition for the Waterpower Equipment Subdivision of Machinery and Allied Products Industry.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

JUNE 26, 1934.

Approved Code No. 347M—Amendment No. 1.  
Registry No. 1312-06.
